

# DEPOSITI COSTIERI SAVONA S.p.A.

## SCHEMA SINTETICA PER ACCESSO VISITATORI – revisione Aprile 2021

Data to be communicated to the offices for the issue of the badge to be collected at the gate:

- Name and surname
- Municipality, state and date of birth, citizenship
- Tax code and / or The number and expiry date of an identification document
- a mobile phone (and email address)

### How to get

For those arriving from the motorway, exiting at Savona-Vado or Albisola, follow the signs for Savona center or the COSTA Cruise Terminal. At the roundabout between the Priamar fortress and the Municipal Market, take the tunnel, at the exit of which head towards the passage on the right.

Collect the badge at the gate.

Location in the port: see plan with access roads (ENTRATA=IN; USCITA=OUT)

Behavior in the port: inside the port, when accessing DCS, follow the road system as per the plan without diverting to the operational areas of other concessionaires or accessing the docks; maintain a maximum speed of 30 km / h and pay attention to crossing the railway tracks (without bars) and any operating vehicles in motion; follow any indications from port personnel, other operators or those involved in operations in progress that interfere with the viability; do not leave the car, and if necessary, wear a high visibility jacket.

Behavior at DCS: the car park is outside the depot, to the side of the driveway on the west side; report to the operational staff or to the offices on the second floor of the building; an intercom with camera is positioned at the pedestrian gate to the right of the driveway; do not stop in the areas facing the driveway; do not enter the operating areas without authorization and / or without a guide.

In the depot it is forbidden to smoke, light fires and consume alcohol / drugs; follow the requirements of the signs placed at the entrance or the instructions of the staff regarding safety.

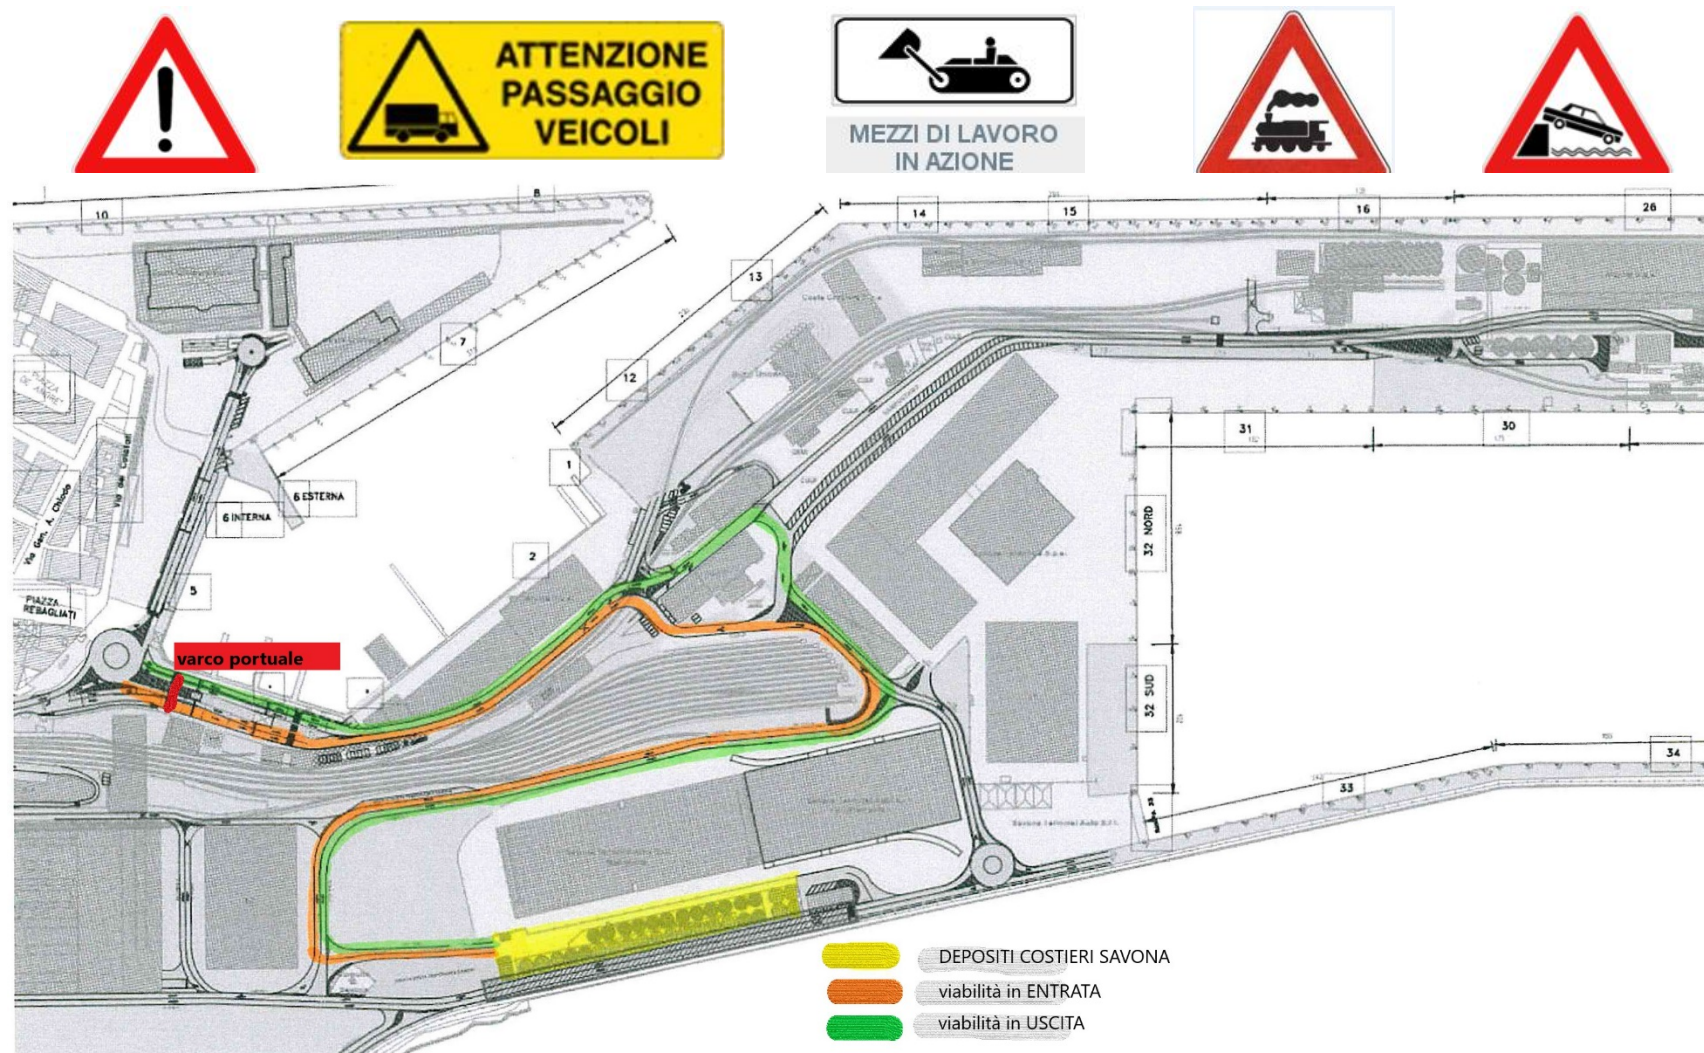

Promptly report any observations about situations considered worthy of attention.

### IN CASE OF EMERGENCY:

- Keep calm
- Follow the instructions of the depot staff
- In the event of an evacuation, go to a meeting point (one is located at the entrance driveway, where the parking lots are located, the other at the exit driveway, at the eastern end of the loading lane)
- Do not go away from the staff accompanying the depot or from the meeting point without adequate notification (in order to avoid that you think you are missing)
